

Please read the FAQ "What kind of files are acceptable?" for information regarding specific guidelines for sending us your documents. If you have any questions about our electronic documents submission guidelines, please feel free to [contact us](#) .

Uploading via HTTP

Click on "[Upload Your Files](#)" in the main menu and simply fill out the form, attach your files and submit the form.

Uploading via FTP

Be sure to stuff or zip your files before emailing or uploading to the ftp site.

ftp://216.99.114.42

Password: print

Login Name: general

E-Mail

info@teamcoastal.com This e-mail address is being protected from spambots, you need JavaScript enabled to view it

Please Note: Documents that come in without meeting the above guidelines will be subject to a charge of \$70.00 per hour for corrections and/or changes. We accept the following file format: .TIF, .TIFF, .EPS, .AI, .PSD, .JPG, .PNG & .PDF.

How can I send the files to you?

After we receive your uploaded file(s), we will review each file. If we find any problems, we'll contact you, otherwise you'll receive a PROOF of your job via email. Where you will be responsible for approving files for print.
