

Having celebrated our 20th year anniversary. Coastal Printing and Graphics, a commercial printer, founded on April 1, 1988 The Bellamy Family. Our first location was in the East Gate Shopping Center, on Holden Beach Road in Shallotte North Carolina. Father to son transfer of ownership in 1991. Jimmy Bellamy and wife Melody continue to work in this family owned and operated business. Due to the growth of the company we found it necessary to move Coastal Printing & Graphics to a larger facility which is where we are now located 125 Village Road, Shallotte, NC.
